EXT. SPACE - CRIMSON LIGHT

A space shipwreck. Closer to a space fender-bender.

The other ship's pilot, LESLIE (Who speaks in unintelligible language of screams) reports the incident on the phone.

GARY and AVOCATO examine the damage as they float aimlessly in the vacuum of space. It was clearly Gary's fault.

GARY

This clearly wasn't my fault.

Leslie looks up from the phone.

LESLIE

REAHAAAAAARRRRRAUUUAAAHHHHGGG!!!

GARY

Hey, you mind your own business over there!

LESLIE

REEEEAAAALAPUPTATULA!

GARY

Oh yeah, well your mother probably wouldn't like that you said that...very...much.

AVOCATO

Good comeback.

GARY

I was put on the spot.

MOONCAKE floats Up to Gary.

MOONCAKE

Chook-chook! Chookedy!

GARY

Not now, mooncake. Daddy's gotta handle some *bizness*.

Gary cracks his fists as if he's going to fight Leslie.

GARY (CONT'D)

Time to teach ole' Leslie how we handle things the Gary way. Through dance!

He slaps aviator sunglasses on his face and strikes a pose.

Gary looks to see a spaceship-police-car-hybrid. Instead of sirens, the blinking lights are paired with an LED Sign that blinks "WEE WOO."

AVOCATO

Uhh, finally. The space-traffic-police are here.

GARY

(disappointed)
Oh, but I was going to show her the Gary way...

Mooncake floats around Gary, excited to join in the Lesson-Teaching.

MOONCAKE

Chookedy! Pop!

GARY

Not now, Mooncake.

MOONCAKE

(Disappointed)
Chookedy...

AVOCATO

Here, let me talk to them.

GARY

Or...okay. Second opinion, we run because this is a stolen ship, there's convicts on board, and I don't pay space-insurance.

Mooncake floats away from the ship, heartbroken. His eye is caught by a small, PARROT-LIKE ROBOT.

MOONCAKE

Chookety?

The Robot (P-0LY) flaps its wings and repeats.

P-0LY
(squacks)
CHOOKETY!

Mooncake, intrigued, floats closer.

MOONCAKE
Chook. Chook. Pop?

P-0LY
CHOOK CHOOK POP!

Mooncake is offended by the taunting.

MOONCAKE
(angrily)
Chookety...

P-0LY
CHOO-

Mooncake BLASTS P-0LY's head off with an energy Burst.

MOONCAKE
(proud of himself)
Chookedy!

BOOM.

A beam of light surrounds Mooncake as he is pulled toward a cloaked ship that resembles a pirate ship.

MOONCAKE (CONT'D)
(for help)
Chookety!

Gary and Avocato are being interrogated by the space-traffic-police.

OFFICER
Alright, and can I see a copy of
the of the driver's insurance?

GARY
(false-confident)
Hehe... sure thing offi--

Gary turns to grab his wallet and

GARY (CONT'D)
RUN AWAY!

Gary attempts to flee but is immediately tased unconscious.

His body floats upward as we begin...

TITLE SEQUENCE

EXT. SPACE COURTHOUSE - DAY

Gary waits on the courthouse steps.

CLARENCE lands The Crimson Light lands in a handicapped spot outside the courthouse.

CLARENCE

Do you think it's okay that I park here?

INT. CRIMSON LIGHT - FLIGHT DECK

Gary walks onto the deck. LITTLE CATO, Clarence, ASH, FOX, KVN, HUE, and QUINN stand waiting for him.

GARY

Ho, man! You know, space-courthouse SUCKS! I hate it more than... some other thing that sucks a lot.

KVN floats over to Gary and attempts to embrace him.

KVN

Oh my goodness. Gary, my best friend, I was so worried about you. I've missed you so so much for so so lon--

Gary throws a rock at KVN, knocking him to the floor.

KVN (CONT'D)

Ow.

FOX

Oh, don't get me STARTED. I've never gotten through there without getting frisked.

LITTLE CATO

(under his breath)

Probably because you're from a species of thieves...

FOX

ACTUALLY I think it has something to do with my arm that's also a machine gun.

He lifts his arm to show off his weapon.

GARY

Wait a minute... Where's mooncake?

The door slides open. Avocato stands on the other side.

AVOCATO

Gone. I was scanning the ship for damage, and I found an Detrilackian tracking device. I think he was taken by pirates.

GARY

My number one enemy...space pirates.

QUINN

You've never once met a space pirate.

GARY

Yes I have, you just weren't there for that... part.

(to HUE)

HUE! Can you track his energy signature?

AVA, the Ship's AI, Speaks.

AVA

Gary. I've already traced the--

HUE

NO! I WILL STAND BY NO LONGER AS YOU SHOW ME UP.

AVA

Oh. Does little baby want to show off his neolium-core!

HUE

MY SHELL HOSTS A NEONIAN-CORE AND YOU KNOW IT. YOU BITCH.

AVA
Thats cute. But I have ahead--

HUE
*NO. I WILL FIND MOONCAKE. TRACING
NOW...*

HUE's sad robot-body shakes as he attempts to process the information.

HUE (CONT'D)
TRACING.

Everyone stares at him in suspense. His eyes resemble the mac beachball.

HUE (CONT'D)
TRACING!

Steam pours out of his gaskets. DING!

CLARENCE
I think he found him.

HUE falls on the ground and shuts down.

AVA
The ship is on the underwater planet Amoah.

GARY
You heard her gang!

CUT TO:

INT. CRIMSON LIGHT - COCKPIT

The crew takes their positions for takeoff. Gary assumes his position as pilot.

GARY
Let's go get back our mooncake!

He powers up the ship and presses on the throttle.

KLANG.

The ship has been booted for parking in a handicapped spot.

GARY (CONT'D)
Uhhhhh.....Crap!

INT. THE DARK THRESHER - POOPDECK

Mooncake attempts to escape from his cage. He bumps the bars but is shocked with an electric charge.

MOONCAKE

(hurt)
Chookety!

A large crew of PIRATES dances and drinks around their prize.

PIRATE 1

Oy! Hi there, ya little green nutsack!

PIRATE 2

I think we're gonna get a pretty penny for you, aren't we?

Mooncake tries to flee, but is shocked. The pirates LAUGH in a ROAR.

MOONCAKE

(scared)
Chookety...

INT. SPACE TAXI

The taxi flies toward the planet of Amoah. In the back sits Gary, Quinn, Avocato, and HUE. Clarence is seated up front.

GARY

Yeah! The old gang, back together!
Quinn, no-nonsense girl with a chip on her shoulder, and a twinkle in her eye.

Quinn looks unpleased.

GARY (CONT'D)

Avocato, my best friend and ex-bounty hunter with a soft spot in his heart.

Avocato gives Gary a death-stare.

GARY (CONT'D)

HUE! The super-smart AI with years of knowledge at his...

HUE is still powered down.

GARY (CONT'D)

Oh. And me their beautiful, yet gorgeous leader with no fear and sweet dance moves to spare.

Gary strikes a pose with duckface lips.

QUINN

Uh wait crap, why is Clarence here?

CLARENCE

Please, the Amohans are fish people!

(fiendishly)

I'm gonna eat their unborn eggs...

GARY

You're a gross person Clarence, I don't want to talk to you anymore.

Gary rolls up the divider between the seats.

AVOCATO

Do you think that everyone will be okay on the ship?

GARY

Oh yeah, they'll have lots to do.

INT. CRIMSON LIGHT - FLIGHT DECK

The remaining crew sits around, bored.

Little Cato plays with a laser pointer.

KVN tries to bother Ash, who levitates him into the wall.

KVN

Ow.

Fox shoots at a picture of Clarence on the wall.

LITTLE CATO

You guys, I'm really bored.

Everyone nods in agreement.

LITTLE CATO (CONT'D)

We should start a band!

FOX

Yeah, okay.

ASH

Okay, sounds good.

LITTLE CATO

Okay cool...

No one moves.

LITTLE CATO (CONT'D)

(mumbling)

We're gonna start a band...

EXT. STREETS OF AMOAH

The underwater street market. Merchants and customers swim about.

The crew, each wearing aqua-suits with flippers and bubble helmets, make their way down the street.

AVOCATO

Remember, we're looking for pirates from Detrilack.

QUINN

I hear they're masters of disguise, so it's important that we--

GARY (O.S.)

Hey Quinn! Look at what I found!

Gary stands at a merchant's booth. Behind him is docked an enormous ship with the inscription "Detrilack or bust."

QUINN

Oh... my... god.

Gary, who is unaware of the ship, is holding a shirt labeled "FISHES BEFORE BISHES."

GARY

I know, right! And it only cost me 10 of these seashell.. money... things. What are you guys looking a--

He sees it.

GARY (CONT'D)

Whoah, hey, guys I think that's the ship, come on, let's go!

INT. THE DARK THRESHER - MOMENTS LATER

A silent and empty hallway.

BOOM. Gary and the crew blow a hole in the side of the ship with a large explosion. They each do a tuck and Roll into cool action-hero poses.

Gary is wearing his new shirt over his aqua-suit.

They sneak down the corridor until they reach a hatch labeled "Poopdeck".

Gary looks to his crew. He does a smolder.

GARY

See you on the other side.

They burst through to find several massacred bodies of pirates and an empty cage.

GARY (CONT'D)

Oh... oh. OH! Oh my-- ew EW!

Avocato and Quinn examine the bodies.

AVOCATO

What could have done this?

GARY

Ew! You're touching it!

Quinn sees a surviving pirate.

QUINN

Hey, you! What did this.

She pulls him closer, his dying words:

PIRATE 2

The Sirens... they were everywhere... they...

GARY

Where is mooncake?

PIRATE 2

They took it, it's gone forev--

He dies.

GARY

Is he dead?

QUINN

Yep.

GARY

Grotie.

He drops the corpse and wipes his hands on his chest.

GARY (CONT'D)

So where do we go to find these
Sirens?

AVOCATO

The Rift, but we can't go there.
The Sirens are one of the
universe's most savage and vile
creatures ever to exist. We will
die if we go to the rift.

EXT. THE RIFT - SUBMARINE

Gary, Quinn, Avocato, and a newly booted up HUE pilot
into the deep unknown in a rented sub.

HUE

NEXT STOP: THE RIFT.

CUT TO BLACK.

ACT II

FADE IN:

INT. CRIMSON LIGHT - FLIGHT DECK

Little Cato, Fox, and Ash have just finished band practice. Fox is on drums, Little Cato sings with electric guitar in hand, and Ash plays a key-tar.

FOX

(way too excited)
Okay, is it just me? Or, do we sound AMAZING?

ASH

I know, right!

She goes into a demon state, her voice turns gruff and her eyes become pitch black.

ASH (CONT'D)

I CAN'T WAIT UNTIL OUR FIRST GIG!

LITTLE CATO

Yeah! But before we go any farther, we need to fix a few things. Fox, you were a little late on the chorus. And Ash, your key-tar might be out of tune.

FOX

(incredibly offended)
Oh, I see, you think YOU'RE in charge?!

ASH

I will
(demon state)
MURDER YOU!

She smashes her key-tar.

LITTLE CATO

You know what? This band is over!

They all storm off in separate ways.

INT. THE RIFT - SUBMARINE

As the ship dives deeper, the crew begins to see nothing more than darkness.

GARY

Does anybody else get that sinking feeling that we might... sink?

AVOCATO

It's an underwater planet, Gary. If the ship starts to go under then we just put on our Aqua-suits.

Gary looks to the wall where he hung up his Aqua-suit.

QUINN

Still nothing on the radar. We should be clear for a little while.

GARY

Okay, yeah. You're right.

QUINN

So just relax, Gary.

GARY

I'm so relaxed. I'm chillaxed. Super *chillaaaaxed*.

He closes his eyes. Light, angelic music begins to play as all other sounds get drowned out.

GARY (IN HIS HEAD) (CONT'D)

Oh, is that a little ditty i've got in my head.

The music gets louder. It becomes higher in pitch and less pleasing to the ear.

GARY (IN HIS HEAD) (CONT'D)

I think I'll hum along to this tune.

He hums as the music gets louder and louder until...

CRACK.

Gary opens his eyes to see countless pairs of glowing eyes.

GARY (CONT'D)

Oh, crap!

Gary scrambles out of his seat, he races towards his aqua-suit.

GARY (CONT'D)

Lots of eyeballs! Scary eyeballs.
Glowie-scary balls everywhere!

The walls of the ship begin to cave in.

GARY (CONT'D)

Crap! Oh crap balls!

Water starts to pour in through the cracks.

AVOCATO

We're going down!

BOOM! The ship tips to the side, throwing Gary on his back.

GARY

Ow-how!!!

The shadowed figures circle the ship creating a cyclone of glowing eyes.

QUINN

Gary!

Gary looks to see Quinn as she's sucked out into the cyclone.

GARY

Quinn!

Avocato and the rest of the crew are each sucked out one by one.

GARY (CONT'D)

Oh God, oh crap of god! My crap oh
godly crap!

Gary stretches out an arm to grab his aqua-suit. He is washed away with water before he can reach it.

GARY (CONT'D)

HELP!

EXT. THE RIFT - DEEP UNDERWATER

The submarine's empty husk floats away as Gary is thrown into the abyss.

GARY (IN HIS HEAD)
Okay, Gary, this is your moment.
It's all been leading up to
this...

Gary focuses intently on his new goal.

GARY (IN HIS HEAD) (CONT'D)
Evolve, gary. Grow gills and
EVOLVE!

Gary clenches his cheeks as hard as he can. His face turns a deep purple. And then, miraculously, against all odds...

GARY (IN HIS HEAD) (CONT'D)
Oh... my crap... I'm really
gonna...

He blacks out.

END OF ACT II

ACT III

OVER WHITE:

GARY

Oh... would you look at that. A white light.

A green dot appears and starts to float around.

GARY (CONT'D)

Oh, hello there little friend. You're my new little green-dot-friend aren't you?

The green dot morphs into a young version of Gary.

INT. GARY'S CHILDHOOD BEDROOM - DAY

YOUNG GARY sits at the foot of his race car bed, he's playing video games with a mindless grin on his face.

GARY (V.O.)

Oh my crapholes, my life is flashing before my eyes. I can't believe I'm dying. This is so emotional...

Young Gary continues to play.

GARY (V.O.)

Is thi-- is this the speed I have to watch it at? Am I able to like fast forward?

The world suddenly fades back to white as we seem to flash forward in time.

GARY (V.O.)

Oh, yes! Something is happening! Gonna get to relive all the cool stuff I've done.

The flash-forward stops and now we are in

INT. MATH CLASSROOM - DAY

Young Gary struggles at his desk to complete a math test.

GARY (V.O.)

Oh, excellent, now I get to watch myself take a math test...

Young Gary continues to write answers slowly.

GARY (V.O.)

Wha-- hey I remember this te... It wasn't even a hard test... It was a MEDIUM HARD test!

Gary SIGHS.

The world begins to turn back to white.

GARY

Oh great, so now I can watch myself do my taxes.

He sees four blurred figures. His eyes focus to see Avocato, Quinn, and two SIRENS, mermaids dressed in medical scrubs.

GARY (CONT'D)

Quinn, Avocato! My dearest of *friiendz*. You're also here in the afterlife.

He reaches to grasp their faces.

AVOCATO

No.

GARY

No?

QUINN

Not dead.

GARY

(to Siren #1)
Didn't drown?

SIREN #1 SCREECHES. Gary screams in fear.

The second siren, Y'SON, speaks in a confident, salesman-like tone.

Y'SON

Whoah there! Sorry bout that, friend. My colleague here doesn't speak Earth language.

He looks to his partner and the two SCREECH in conversation.

Y'SON (CONT'D)

(laughing)

Whoah-ho okay, pal! I'll let you tell her.

(to Gary)

Okay, well my name is Y'son, and I'm the lead medical officer here. We're glad we got you in when we did, you were close to drowning there!

A look of relief washes over Gary's face.

GARY

Oh my goodness, great! You know, we thought you guys were gonna eat us.

Y'son bursts out loud in a laugh.

Y'SON

Oh ho ho! No, we were going to!

GARY

Oh...

Y'SON

Funny story actually, we're right there, about to sink my biters into some sweet ole flesh.

GARY

Oh dear god.

Y'SON

And then I take a look down at your shirt and I jus--

He can't contain his laughter. Gary looks to remember he's still wearing his "Fishes before Bishes" shirt.

QUINN

I can't believe that stupid shirt saved us.

Gary jumps up.

GARY

(cocky)

Yeah, you know, Quinn, that's just how I riz-oll...

While trying to be smooth and put his arm around her, he falls flat on his face.

AVOCATO

(to Y'Son)

We come seeking our friend.

GARY

(still on his face)

Little green bubbly guy? Says chookedy? Likes cookies?

Y'SON

You know, I think we picked something up like that earlier today. But first, you've been invited to our grand palace for a meal with the royal family.

The crew begins to make their way towards the exit.

GARY

Well would you lookie there? Avocato was worried that you guys would be savage and vile, but no this is looking quite lovely.

SMASH CUT TO:

INT. GRAND PALACE - ROYAL DINING HALL

Gary and the crew stand petrified as the ROYAL SIRENS: JAQEUSTA, ANERA, BLOOPY DOOPY, and JOSH, savagely tear apart and devour a SCREAMING ALIEN BODY.

ALIEN

(being eaten)

OH GOD OH THE PAIN THIS HURTS SO MUCH.

Blood splatters into Gary's eye.

GARY

Ew ew...EW!

Bloopy and Anera fight over a severed arm.

BLOOPY DOOPY

Dad! Anera stole the last piece of arm and won't share!

Anera and Bloopy SCREETCH at one another. Josh joins in the commotion.

JAQEUSTA

ANERA! BLOOPY DOOPY! JOSH! Quit fighting in front of our guests!

Gary wipes a piece of flesh from his face.

GARY

Who us?

QUINN

Please, we are guests here, don't feel obligated to give us any special treatment.

JAQEUSTA

(to the servants)

DESSERT TIME!

Three mermaids in butler uniforms swim off.

JAQEUSTA (CONT'D)

I'm just so glad to have you visitors!

He pounds the table in excitement. His strength shakes the room.

JAQEUSTA (CONT'D)

We haven't seen many outsiders since the space-oceans-wars.

GARY

Space...ocean wars?

QUINN

Since the dawn of the galaxy, the Amohans and the Sirens have fought for control of the planet.

A look of anguish washes over Jaqueusta's face.

JAQEUSTA

'Tis true, girl. They see us as monsters. They banished us to The Rift, and ever since then, we've lived out our days as outcasts... forced to hide in the dark.

GARY

Do you think it might have something with the whole eating people thing?

JAQEUSTA

What do you mean?

GARY

Never mind...

The three servants return pushing a long cart of silver trays. In the center is a large covered platter.

JAQEUSTA

Ah, ha!

Quinn looks to Jageusta with a concerned look.

QUINN

King Jageusta, while we greatly appreciate your hospitality, we are here on business.

AVOCATO

We come seeking our friend, we believe he may be here.

Jageusta POUNDS on the table again.

JAQEUSTA

SILENCE! We will discuss all affairs after dessert!

One of the servants reaches to uncover the center platter.

GARY

Yeah, okay. Seems perfectly reasonab--

The platter is lifted, inside is a chained up Mooncake with an apple in his mouth and whipped cream on his forehead.

GARY (CONT'D)

(SCREAMS.)

QUINN

Mooncake!

Gary runs and frees Mooncake from his chains.

GARY

Mooncake you've missed so much! I Bought this hilarious shirt!

MOONCAKE
(he likes the shirt)
Chookedy!

The Royal Family swims over.

JAQEUSTA
It appears as if we have made a
great mistake.

GARY
Well, yeah no duh. Yah frickin...
fish people...

Mooncake floats around his family. They all celebrate.

GARY (CONT'D)
Well this all seemed to work out.
Wha- wait, where's Clarence and
HUE?

CUT TO:

INT. NURSERY - THEN

Clarence gobbles thousands of fertilized Siren Eggs into
his mouth. He moans from the pleasure of eating unborn
children.

He orgasms slightly.

INT. GRAND PALACE - CONTINUOUS

Beat.

GARY
Welp, anyway thanks for everythi--

BOOM!

A giant explosion crashes through the palace. They look
up to see a FLEET of Amohan ships.

JAQEUSTA
Those bastards! They chose right
now to attack us! Right at home!

GARY
Yeah that is pretty inconvenient!

Mooncake hides under his platter.

JAQEUSTA

Well if they think that we are
going to suffer in silence...

He pulls out 12 foot tall golden trident.

JAQEUSTA (CONT'D)

Then they THOUGHT WRONG!!!!

His BATTLE CRY echos throughout the planet. Thousands of
Sirens, once again the shadowy figures with glowing eyes
and sharp fangs swim at a full charge toward the armada.

EXT. OCEAN - THEN

A beautiful mixture of colorful fire and explosions.

Mooncake blasts several Amohan ships. SWARMS of Sirens
flood into each ship as they fall to the surface.

Riding giant squid, Gary, Avocato, Quinn, and Mooncake
race towards the front lines.

AVOCATO

(yelling over the
noise)

Are we fighting a war?

Gary looks around. He does not know how this happened.

GARY

Oh... uh... yeah I guess.

MOONCAKE

Chookety!

He BLASTS through another ship.

GARY

Whoah-ho! Great job, mooncake!

QUINN

But all of this blasting away
isn't going to mean anything if we
can't find the mother ship!

Suddenly, a ship, bigger than the rest, overtakes the
entire battlefield.

AVOCATO

I think that's the mother ship...

GARY

How can you be sure?

Avocato points to a giant blinking sign on the rear bumper of the ship that reads: "Proud Military Mother-ship".

JAQEUSTA

(fending off Amohan soldiers)

The only way to take down a ship that large is with a neonian-core reactor.

HUE (O.S.)

Did someone say neonian-core reactor?

From seemingly nowhere, HUE, Clarence, and KVN join the battle atop a humongous pufferfish with metal spikes.

GARY

(peevd that KVN is there)

KVN! What are you doing here?!

KVN

Don't worry, Gary! I'm here to save the day!

GARY

Ugh I am so PEEVED that you are here right now!

Clarence wipes his mouth of another fish egg.

CLARENCE

Calm down, idiots. I've prepared for this.

(to HUE)

Activate protocol Delta-Indigo-Kilo.

KVN

You got it!

KVN and HUE both begin to transform. Suddenly the two form a small mech with blaster-cannon arms.

HUE

Neonian-core full power ATTACK.

Suddenly an INCREDIBLE BEAM OF LIGHT bursts from their blasters as they decimate the entire enemy force.

KVN
(over the cannon
fire)
Gary are you proud of me?!

GARY (O.S.)
I frickin hate you KVN!

KVN
(cheerful, as if he
didn't hear Gary's
response)
OH-KAY!

The mother ship falls to the sea floor.

EXT. OCEAN - LATER

The Royal Family and the crew all stand atop the remains
of the Amohan Army.

JAQEUSTA
My friends. Garreth..

Gary looks confused.

JAQEUSTA (CONT'D)
Apple Grotto...

AVOCATO
Um... It--

JAQEUSTA
Qweef...

QUINN
Thats no--

JAQEUSTA
And others!

HUE and KVN look to each other in pride.

JAQEUSTA (CONT'D)
We are forever in your debt!
Nothing can ever break apart the
bond we've formed here toda--

In comes rushing a SIREN GUARD.

GUARD
Your highness! There's been a
break in to the nursery!

INT. NURSERY - MOMENTS LATER

The sirens and crew bust the door open to find Clarence passed out. The only remains around him are a few half-eaten shells of fish eggs... Siren eggs.

Clarence opens his eyes to see the intense stare of the King.

Jaqeusta's eyes begin to glow red. He looks to the crew.

JAQEUSTA
(SCREEEEEEACHES with intense fury)

CUT TO:

INT. FLIGHT DECK - DAY

Little Cato sits alone. He strums a somber tune.

Ash hears his song and decides to join in. She magically heals her key-tar and begins to play away.

Fox jams away on the drums with a smile towards Little Cato.

The three play their hearts out, and end with a BIG SYMPHONIC FINALE. Out of breath, the three hug.

FOX
I'm so happy we got the band back together!

GARY (O.S.)
I'm not gonna lie to you guys...

The crew returns from their mission, covered in claw marks and seaweed.

GARY (CONT'D)
Your music sucks I think you should break up...

KVN smashes the key-tar.

KVN
(excited)
Yeah! What Gary said!

Ash levitates KVN into a wall.

KVN (CONT'D)
Ow.

EXT. CRIMSON LIGHT - LATER

GARY (V.O.)

And it appears that once again,
having saved their friend,
Mooncake, defeating an underwater
army, and escaping the treacherous
treachery of the *TRENCH*. Our
heroes are off again on their
endless mission to save the
universe.

The ship begins to take off. The reverse lights kick on.

GARY (V.O.)

With the guidance of their
fearless leader, Gary Goodspeed,
the best god-flippin pilot on this
side of the galax--

CRACK! The Crimson Light backs directly into a familiar-
looking ship.

LESLIE (V.O.)

SCRAEEEEEEEEEEEEKKKKKKKKKKKK!!!

GARY

Crap holes...
