TINA

Uh-huh... What's wrong with mom?

GENE

I know that look. She looks like she could use a little bit of *this*.

He tears a strand of TP off his chest.

BOB

She's on some new exercise thing. Gene what are you wearing.

GENE

If the school didn't want me to make a mummy costume out of all the toilet paper, then they should've said so beforehand!

BOB

Just tell me you're wearing clothes under there.

GENE

I am not.

Linda jumps down. She begins to flail side to side.

LINDA

Kids, join Mommy! It's Beyguay!

She grabs Tina's hands and swings her in a circle.

TINA

(GROANS)

Tina turns green. She falls and vomits behind the counter.

LOUISE

Don't worry, I know what to do.

She pushes Gene to the floor, using his costume as a mop.

GENE

LINDA

Honey, are you okay?

TINA
 Actually, I feel like I've just
 lost a few pounds.

LINDA

LINDA
Oh my gosh, Bobby! Are you alright?

She lifts him onto a stool.

BOB
Yeah, Lin. I just need a drink.

He drinks from Gene's Big Glug. He coughs out a glob of dirt.

BOB (CONT'D)
Gene, why is this cup full of dirt?

GENE
Oh, that's my dirt cup!

LINDA
Why do you keep dirt in a cup?

GENE
Where do you keep dirt?

BOB
On... the ground.

GENE
But then it would get dirty!

BOB
Oh my god.

LINDA
He's got a point...

FADE OUT.
